

JOURNEY™

High School Uth Ministry at FBC

Fall 2009 Featured Events

A Featured Event is intended to be a monthly activity to attract students to come and encounter our youth ministry and hear the Gospel. The guiding principle is to create a place where teens feel energized, welcomed & accepted, and will want to bring friends to. The FBC Uth have helped determine this calendar of events. Most Featured Events will take place on Sundays. However, other times are scheduled as appropriate. Additional special events are listed with this calendar, such as Youth For Christ invitation events and other community wide youth events. Most months will also include a “Last Supper.” All of these events are open so that the FBC can and should invite friends to them.

JANUARY
